

GUIDE TO ON-SITE & ONLINE FUNDRAISING:

Options & Guidance:

Merchandise is delivered to your location. You determine which items you would like to display and sell at your location: (Coffee, Chocolates, Furtue bears, are primary must haves) + (look on BeansForSharing to pick other favorites) make sure you have communicated with all your supporters the date of sale... if possible coordinate the sale with your own food & drinks. Have fun !!

You have the option to display on temporary consignment, or own it all at wholesale. Your organization will earn an average of 30% of your gross sales. Be sure every one of your supporters scans the

QR code and saves this to their favorite shop, as they can continue to shop on & on. You will watch residual revenue trickle in monthly long after your event.
